

Personal Safety Measures

TO BE TAKEN WHEN OUTSIDE DURING COVID-19

WHILE RETURNING BACK HOME

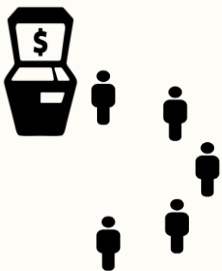

- ✓ Remove the mask and shoes while re-entering your home.
- ✓ Unpack your items. If exposed, sanitize it.
- ✓ Change your clothes after coming back and take a bath.
- ✓ Wash your hands before changing clothes as well as after changing clothes.
- ✓ Wash your clothes separately with soap and water.

- ✓ Avoid non-essential travel and practice physical distancing.
- ✓ Avoid crowds and large gatherings.
- ✓ Stay at least 1m away in public place.
- ✓ Work from home if you can.
- ✓ Restrict outdoor movement to only critical cases.

WHILE TRAVELLING

WHILE HANDLING CASH/ USING ATM

- ✓ Avoid close contact and ensure ATM room is not in use before entering.
- ✓ Clean hands with alcohol based hand rub or soap and water, after touching any surface in the ATM room or object including coins and banknotes.
- ✓ Use digital platforms for non-cash transaction.
